

# Important Notice!

Dear Mr./Ms. \_\_\_\_\_:

We are offering our influenza vaccinations later this year because of a delay in the vaccine shipment. That means **there won't be as much time between when we can offer flu shots and when the flu season begins.** So, it's **especially important** this year for you to come in for your flu shot to make sure you are protected against influenza.

For your convenience, we are offering an immunization "express lane," so you can come in anytime during our regular office hours:

**Monday - Friday, 9:00 a.m. to 4:30 p.m.**

We are also offering a special Saturday clinic from **10:00 a.m. to 2:00 p.m.**

Or you can call our office to make an appointment.

**Come In! Get Your Shot! Beat the Flu!**
